FLYER

FRANKFORT, KENTUCKY

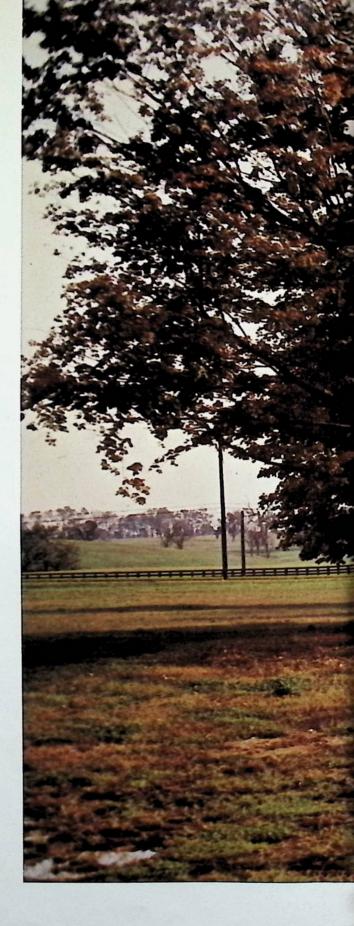

#### A PRAYER

Bless thou, O Lord, the avenues
We tread from day to day.
Be ever mindful of our needs
And teach us how to pray.

Help us to make our avenues
Be always straight and fair
And lead to that eternal home
Where Joy reigneth there.

Be thou our guide and teacher, too,
And lead us all aright
Until our paths on earth shall lead
To avenues of light.

#### BECAUSE YOU EXCEL . . .

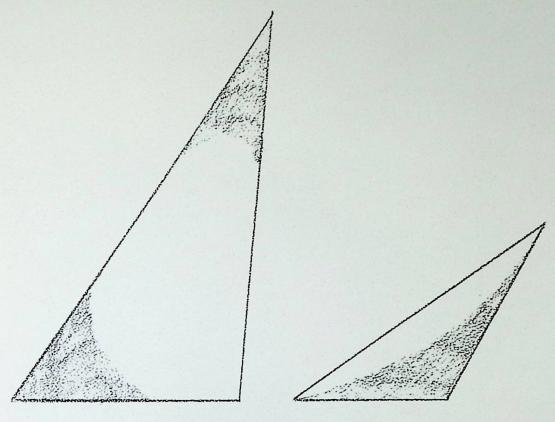

as a student council advisor and as a counselor to all the students of Franklin County High School, and . . .

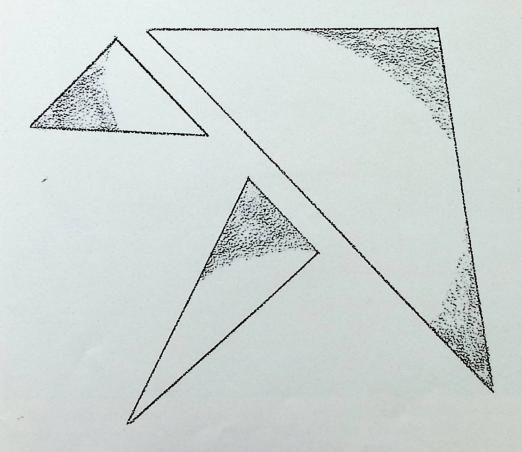

... because you excel as an administrator,

and have shown to us during the years at Franklin County that you possess the quality to lead and the ability to inspire the students, as well as demonstrate to them the ever-increasing need for mutual understanding between students and teachers, we dedicate this, the 1964 FLYER to . . .

MRS. LOUISE SWITZER

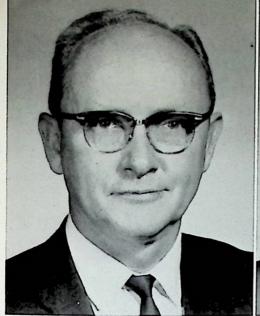

# **ADMINISTRATION**

#### SUPERINTENDENT

During the past years Mr. Bondurant has done a fine job as Superintendent of Franklin County Schools and continues to do so. He works diligently for harmony in the school system. His many duties never interfere with the time he devotes to the problems of both teachers and students.

RONALD CONNELLY Supervisor

CHARLES BARRETT Supervisor

CHARLES TERRY
Director of Pupil Personnel

Board of Education Secretaries— BETTY LOU BURKE ANN RODGERS

The Board of Education is responsible for all policy and administration decisions made concerning the county school system. The members are elected by the citizens of Franklin County.

## BOARD OF EDUCATION

#### **PRINCIPAL**

Mr. Moore, a well known face at Franklin County, has just served in his first year as principal. In the past three years he has filled the position of assistant principal. As a friend of both students and teachers, Mr. Moore is always willing and eager to help us.

Mr. Moore greeting F.C.H.S. Alumni during a Homecoming week reception.

#### **ASSISTANT PRINCIPAL**

Serving as Assistant Principal for his first year, Mr. Clyde Hunsaker has been a great influence on the students. One of his major duties is to combat the problems of student discipline. Mr. Hunsaker has been a capable leader of our school as exemplified by the fine school year we have had.

#### **GUIDANCE COUNSELORS**

Mrs. Switzer discusses vocational tests with Marilyn Bryan and Susie Cox.

Mr. Underwood discusses college with James Martin.

One of the most important choices a student must make is to decide what his course will be after high school. This requires much study and analysis of his aptitudes and interests. We are very fortunate in having two fine guidance counselors, Mrs. Louise Switzer and Mr. John Underwood, who are always standing by, ready to help us make this decision.

#### **SECRETARIES**

Doris Jones and Louise Mitchell, secretaries to the Principal, Assistant Principal, and Bookkeepers of F.C.H.S. are looking over the school's budget. It must be correct because Mrs. Mitchell is smiling.

#### **LIBRARIANS**

Mrs. Hughes and Mrs. Gill are looking over the magazine catalogues. Franklin County has one of the largest high school periodical sections in Kentucky. Mrs. Hughes is assistant to the librarian, Mrs. Gill.

### **BUS DRIVERS**

"Well gang, we're here!"

#### KITCHEN

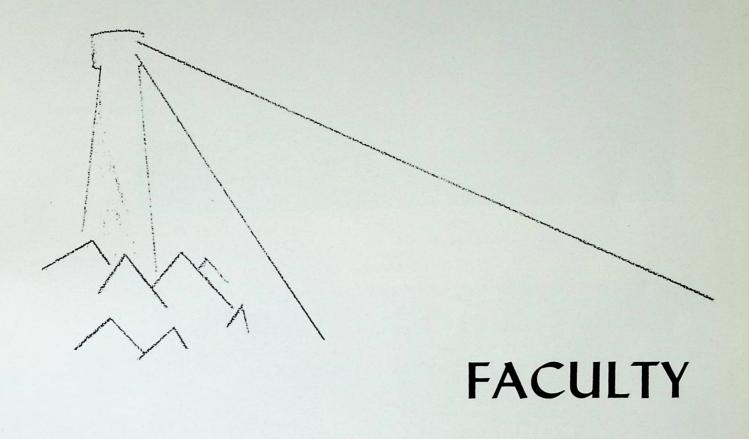

"No extra's today, Kids."

#### **CUSTODIANS**

"It's no use, Mr. Dodd, it doesn't work anyway!"

I have indeed here a pleasure to have you are girl and a nice student.

may the fecture grant you the best

ANN DENNIS
A.B., University of Mississippi
English I, II

Communication is essential in the complex world in which we live. It is necessary that the individual learn to express his ideas effectively to those he meets. It is the English Department's challenge to prepare them to think, write, and speak effectively.

"Class, did you know that I used to be an acrobat?"

French, Algebra

In today's society the knowledge of our own language is not enough. In order to communicate basic knowledge of other languages is essential. French, Latin, and Spanish are offered in our language department.

Not only is the language learned, but here French students learn the geography and history of France.

#### SCIENCE

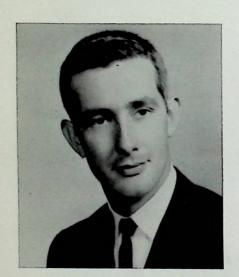

JAY JOHNSTON A.B., Lincoln Memorial University Biology

L. H. POLSGROVE A.B., Georgetown Biology

Through our outstanding FCHS science department students become better acquainted with the world around them. In Biology the sophomores make a study of living things from microscopic organisms to the human body. Chemistry students learn how materials react with one another, and physics explores the basic laws of the universe.

Through experiments students are able to see happenings described in their texts and better increase their powers of observations.

#### DEPARTMENT

It's the small things in life that count.

ROBERT PULLEN
B.S., Georgetown

#### COMMERCE

The rapidly growing commerce department offers such courses as typing, shorthand, business English, business math, accounting, and bookkeeping. Fields of commerce provide an understanding of today's business world. Commerce provides vocational and professional training for a great variety of positions in business. Students are offered the opportunity of preparing themselves for their future.

CHARLES MRAZOVICH A.B., M.A., Eastern Art

JANE SCHIRMER B.S., Nazareth Music

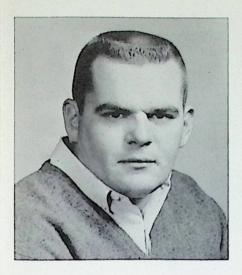

Art class not only teaches lettering, drawing and painting, but also such arts as wood-working and pottery molding.

In order to be a well-rounded individual, one must not only have a good grasp of the science and applied arts, but also of the fine arts. This we try to accomplish at F.C.H.S. through good literature, art, and music.

#### THE CLOCK OF LIFE

The Clock of Life is wound but once
And no man has the power
To tell just when the hands will stop,
At late or early hour
Now is the only time we own
Love, live, toil with a will,
Do not wait until tomorrow,
For the Clock may then be still.

This poem, which was engraved in the watch given to Rubinoff by his friend, the late Will Rogers, was presented by Rubinoff to the students of F.C.H.S. as a guide for our lives.

#### CODE OF ETHICS

Faithful to ideals of FCHS
Respect for teachers and fellow students
Active in some school project
Noble-minded
Kind in all our dealings
Loyal to home, school and community
Interested in the welfare of others
Neatness—as an asset

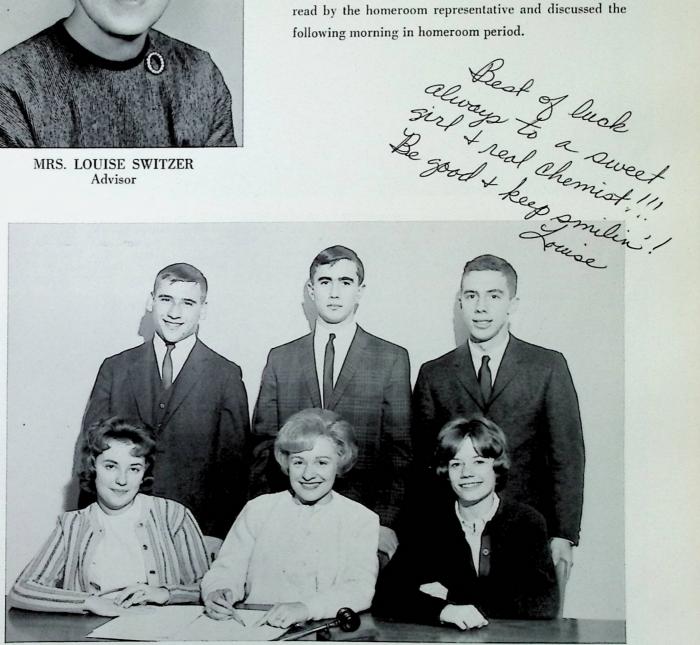

Courageous in adversity Open-mindedness toward all people

Fair in all our actions
Leadership—mentally, socially, spiritually
Yearning for knowledge
Enthusiasm for the future
Ready to do our part
Sincere in objectives

MRS. LOUISE SWITZER Advisor

The function of the Student Council is to form a vital link between the students and the faculty. One representative from each homeroom meets bi-monthly with other council members to discuss various problems and affairs of the school. The mintues of each meeting are read by the homeroom representative and discussed the following morning in homeroom period.

Charles Barrett, President; Pam Mitchell, Reporter; Janice Webb, Treasurer; Jan Arnold, Secretary; Gregg Guess, Vice President.

The purpose of the science club is to stimulate interest in science, to develop an understanding view of the world about us, and to bring together those of like interest for study of special science topics not covered in regular science courses.

The science club activities include meetings once a month, at which lectures by visiting scientists, engineers and other professions may be presented. The club also takes field trips to points of scientific interest. The club also sponsors an annual county-wide science fair in the spring. It also sponsors competitions on college campuses. On the annual awards day, the club sponsors awards to the outstanding student in each of the various science courses taught in our school.

The annual staff is selected by the senior sponsors and the advisor. Few people realize the work involved in organizing an annual. Therefore, it is of the utmost importance that dependable and capable students are chosen to be workers. However, regardless of the labor involved, the effort is lessened by the fun and enjoyment of working with other students.

Something new was tried this year by the journalism classes. The invitation of the State-Journal to publish a page or more of school news and pictures each Thursday under The Falcon nameplate was accepted.

Realizing this would give much wider and more timely coverage than would be possible in a monthly school paper, the students at first feared it would be impossible to find this much news. Week after week proved this a needless worry. The two classes alternated the pages and found many academic and extracurricular activities of news value.

The students hope the county-wide circulation of school news in the State-Journal has created a better understanding and appreciation of the school in the community.

The journalism students themselves have profited by learning about a professional newspaper and writing for it.

### HOMECOMING

During lunch on that Friday, senior girls could still be seen adding the final touches to the dance decorations.

Senior half-back, Bruce Lee, sweeps end early in the second half as Shelby County's defense moves in for the stop.

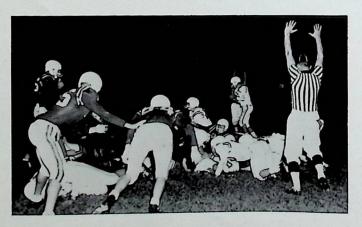

Franklin County's coaches, Jim Vesel and Bob Bennett, plan early moment strategy while sophomore kicking specialist and the trainer watch intently.

Even with the rush of final preparation Franklin County alumni found a warm welcome in the library.

At a crucial play the cheerleaders direct a worried gaze toward the Flyer team.

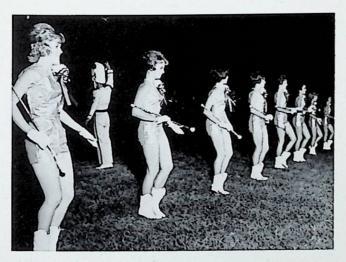

The Flyers score again as Jerry Sheridan goes over for six in our homecoming rout of Shelby County 33-12.

## **ACTIVITIES**

The happiness and spirit of the crowd can easily be seen on their faces.

The majorettes led the band's half-time show wearing their new uniforms for the first time.

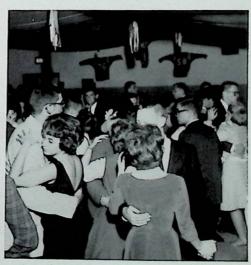

The enthusiasm of the students was seen again at the dance at which the "Temptashuns" were featured.

The crowning of the Homecoming Queen, the first time a junior had been given that honor, was indeed one of the evening's highlights.

After a successful performance the Flyer Band is pictured happily watching the game.

#### BEHIND THE SCENE

The director coaches each actor and actress.

Sound effects give the audience a more realistic picture.

Proper stage management creates atmosphere.

## TRAP

#### THE FINISHED PRODUCT

"Stop persecuting me."

"Cool man."

The Mousetrap, by Agatha Christie, is a murder mystery that takes place in England in a morbid old home called Monkswell Manor. There is a brutal murderer at large, and he is believed to be among the guests at Monkswell Manor.

"Whee."

"Don't shoot."

"Who dunnit?"

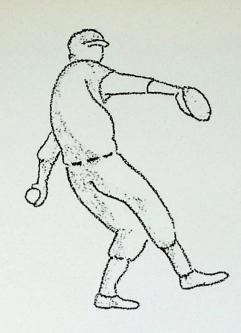

#### DEBATE

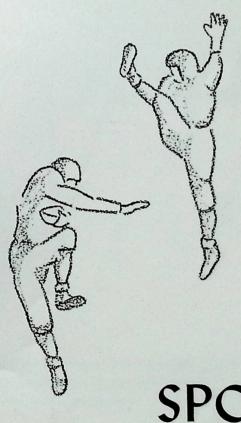

The many debate teams at FCHS give the students an opportunity for intramural activities to better prepare the participants for intermural competition.

One of our debate teams, composed of Leon Joyner and Steve Bolton, has represented our school many times under the capable leadership of Mr. Sturgeon. Debate is an important aspect of education because it helps the student think quickly and organize his knowledge into a comprehensive and intelligible form.

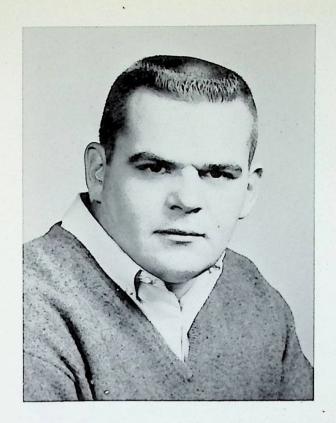

SPORTS

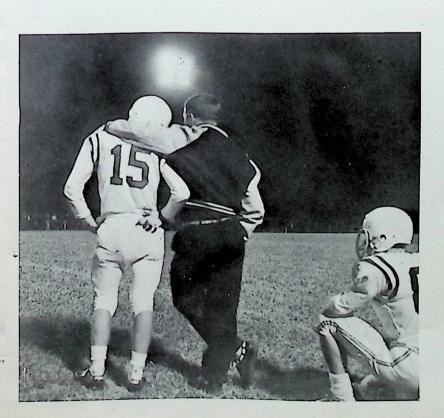

Bob Bennet has done a fine job as football coach at Franklin County High School. This was his sixth and last year as coach at our school, and although this year's team had a lot of tough breaks, he was constantly right in there giving them inspiration and advice. We wish him great success in the future.

Coach Jim Vesel is an outstanding asset to the Franklin County coaching staff. He has proved this by his leadership in his role as assistant football and head track coach at Franklin County. He has demonstrated time and again his knowledge of athletics by the performance of both his linemen and his cindermen.

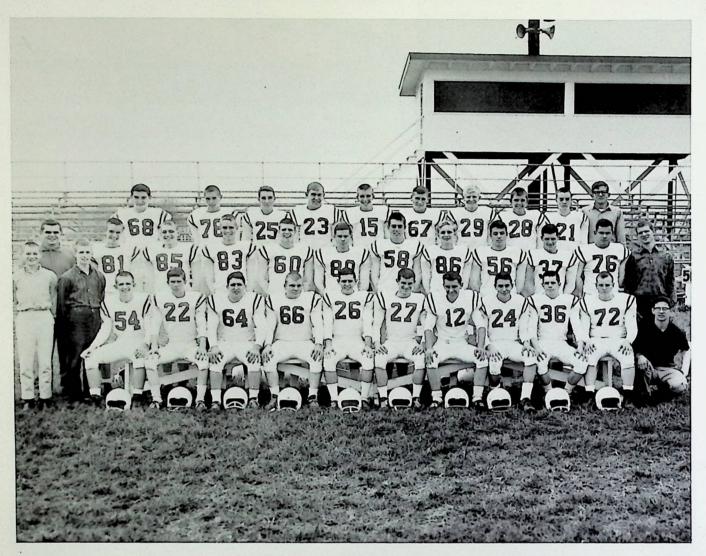

Mr. Johnston has done a fine job acting in the triple capacity as baseball, assistant basketball, and freshman football coach during this year. He has given the boys a valuable insight into the how's and why's of athletic participation. Coach Johnston was an all-American at Lincoln Memorial University in his college days.

"Got any ideas?"
